About JVCKENWOOD Canada Inc.

JVCKENWOOD Canada Inc. is a subsidiary of JVCKENWOOD Corporation; a global manufacturer specializing in Automotive and Professional System Solutions. JVCKENWOOD Corporation was reborn as one company in October 2011 through the merger of Victor Company of Japan, Limited (JVC) and Kenwood Corporation (Kenwood) three years after management integration.

JVCKENWOOD operates four business segments, Car Electronics, Professional Systems, Optical & Audio, and Entertainment Software with image, sound, and radio technologies, as well as infotainment and visual software. JVCKENWOOD creates excitement and peace of mind, while aiming to achieve profitable growth and become a business group that is widely trusted by society.
